

**Vote to come soon...**

To all of our wonderful supporters for EZ-ID/Molly's Bill...we are almost there! The Bill has been engrossed (properly documented and fully reviewed) in the House and Senate...and is awaiting final informal legislative session vote. We are hopeful that will happen very soon, and then go to the Governor's desk for signing. We will keep everyone informed as things happen!

Our sincerest thanks to  
all of you,

The Bish Family
