Mr. Gary P. Richard

Danvers, MA 01923

Dear Mr. Richard:

Thank you for taking the time to make a presentation of EZ-ID to the Board of Directors of the New England Association of Chiefs of Police on January 10, 2012 at Hampton, New Hampshire. Having seen your presentation at an Executive Board meeting of the Massachusetts Chiefs of Police Association meeting, I felt it was worthwhile to put you on our agenda.

I would also like to thank Mr. Attilio J. Paglia, Chief of Staff and Director of Operations for Senator Bruce E. Tarr, Massachusetts Senate Minority Leader, and Jay Gardiner, Director, Molly Bish Center, Anna Maria College for their participation and support at our meeting and the EZ-ID program in general.

After seeing your presentation about EZ-ID, it was the consensus of the New England Association of Chiefs of Police Board of Directors, that this is truly a worthwhile project that deserves the support of Law Enforcement. It not only serves the need for vehicle identification in cases of child abduction, but also serves as a tool for vehicle identification when a motor vehicle is used for any criminal activity.

With its value apparent, the Board of Directors of the New England Association of Chiefs of Police has, by unanimous vote, endorsed EZ-ID as a project worthy of our support.

Sincerely,

A handwritten signature in blue ink that reads "Robert D. Campbell".

Robert D. Campbell, President
New England Association of Chiefs of Police
